

2019 Lineman Challenge Philosophy

This competition is a great opportunity to get your lineman working and competing together, while establishing unit chemistry.

The Lineman Challenge allows players to use body control, balance, quickness, agility and strength.

The competition will also incorporate explosiveness, foot movement, and leverage—staples of line play!

The Lineman Challenge is a special event just for the “guys up front.” This is a chance for them to show their skills, have fun and compete against each other.
